

NEW FOR 2022 \$\$ ROUND UP \$\$ AUTOMATED SAVINGS PROGRAM

Estacado now offers members another FREE SERVICE. **Round Up** is an automated savings program that transfers the odd amount of your debit or ACH transaction from your checking to your designated savings account each night.

For example, if you spend \$7.48 and \$8.84 at stores in one day with your debit card, the total difference of \$0.68 ($\$0.52 + \$0.16 = \0.68) will transfer from your checking to your selected savings at the end of the day.

*Member must have available funds in your checking for Round Up to post.

Members can save hundreds of dollars per year, save money for special uses in your EFCU savings, eliminate dormant accounts, and possibly save you money on NSF fees by having emergency money (Free overdraft to savings) to cover checks or ACH items.

Members can email contactus@estacadofcu.com, call 575-393-1596 or stop by to request the new Round Up program.
