Federal Credit Union

Skip Payment Form

I request to skip the following loan payments and will pay the \$40 Skip payment fee:
(\$20 of the fee will be donated to a worthy cause of Estacado's choosing)

By participating in Estacado Federal Credit Union's Skip Pay program, you request that Estacado Federal Credit Union defer your loan payment as indicated. You can only skip one payment at a time and only two loan payments per loan within the a 12-month rolling period. A minimum of 120 days is required between skipped loan payments per loan. Your loan(s) must be current (have no amount past due) to accept this offer. You agree and understand that: 1) Finance charges will continue to accrue at the rate provided in your original loan agreement, during and after this time; 2) deferring your payment will result in your loan having to pay higher total finance charges than if you made your payment as originally scheduled; 3) the payment deferral will extend the terms of your loan(s) and you will have to make extra payment(s) after your loan(s) would otherwise be paid off; 4) you will be required to resume your payments the month immediately following the month chosen to skip; 5) a fee of \$40 per loan per skip will be deducted from a savings or checking account or will be added to the loan for this service at the time the request is processed. All deferrals are subject to Estacado Federal Credit Union approval. Certain restrictions may apply. Excludes all real estate loans and VISA credit cards. Indirect loans require additional paperwork.
